When you're in love  
For the first time  
Nothin' you can do

You lose your heart  
For the first time, yeah  
It's happenin' to you

You keep you're life  
In your pocket  
Safely tucked away

When you're in love  
For the first time  
Whoa, there's nothin' you can say

Listen now  
There she goes lovin' you  
She's holdin' your hand, yeah  
You're thinkin' you're so strong  
Oh, she's more than you can stand

When you're in love  
For the first time  
There's nothin' you can say

You're on your way  
For the first time  
Whoa, it happens every day  
Oh yeah yeah

In love  
So good  
So nice

It happens all the time, yes  
It happens every day  
Whoa, my darlin', love is here to stay

And you're in love  
For the first time  
Nothin' you can do

Yes, you're in love  
For the first time  
It's happening to you

Oh, we're in love  
Oh, nothin' you can do  
'Cause you're in love, oh

When, when, when you're in love  
When you're, when you're in love  
Nothin', nothin', nothin' you can do, no  
We're in, we're, you're in love, in love

Oh baby, oh baby  
Oh, nothin' you can do

When you're in love, when you're in love  
When you're in love, when you're in love  
When you're in love, when you're in love
