Naqorat

Kuting deya kuni kecha,
Va'dalar berib bir necha,
Sog'atintirib to tonggacha,
Kelmadi mana, yana kelmadi.

Qarab chiroyli yuziga,
Ipsiz bog'atlandim o'ziga,
Qanday ishondim so'ziga,
Kelmadi mana, yana kelmadi.

Kiyib olib to'n, beqasam,
Bo'lmaydi yo kuydirmasam,
O'zim yoniga bormasam? -
Kelmadi mana, yana kelmadi.

Naqorat

Zorim bor, zo'rim yo'Ä, na chora,
Bormikan mendayin bechora,
Kutaman, kelar deb u, zora -
Kelmadi mana, yana kelmadi.

To'ydim bevafo dastidan,
Yolg'onidan ham rostidan,
Äqo'rdimi Ulug'bek qasdidan -
Kelmadi mana, yana kelmadi.
