One, two princes kneel before you  
That what I said now  
Princes, princes who adore you  
Just go ahead now  
One has diamonds in his pockets  
That's some bread, now  
This one said he wants to buy you rockets  
Ain't in his head, now  
This one he got a princely racket  
That's what I said now  
Got some Big Seal upon his jacket  
Ain't in his head now  
You marry him, your father will condone you  
How 'bout that now  
You marry me, your father will disown you  
He'll eat his hat, now  
Marry him, marry me  
I'm the one that loved you baby can't you see?  
Ain't got no future or family tree  
But I know what a prince and lover ought to be  
I know what a prince and lover ought be

Said if you want to call me baby

Just go ahead now

And if you like to tell me maybe

Just go ahead now

And if you wanted to buy me flowers

Just go ahead now

And if you like to talk for hours

Just go ahead now

Said one, two princes kneel before you

That what I said now

Princes, princes who adore you

Just go ahead now

One has diamonds in his pockets

That's some bread, now

This one said he wants to buy you rockets

Ain't in his head, now

Marry him, marry me

I'm the one that loved you baby can't you see?

Ain't got no future or family tree

But I know what a prince and lover ought to be

I know what a prince and lover ought be

Said if you want to call me baby

Just go ahead now

And if you like to tell me maybe

Just go ahead now

And if you wanted to buy me flowers

Just go ahead now

And if you like to talk for hours

Just go ahead now

And if you want to call me baby

Just go ahead now

And if you like to tell me maybe

Just go ahead now

And if you like to buy me flowers

Just go ahead now

And if you like to talk for hours

Just go ahead now

If you want to call me baby

Just go ahead now

And if you like to tell me maybe

Just go ahead now

If you want to buy me flowers

Just go ahead now

And if you like to talk for hours

Just go ahead now

Oh Baby!

Just go ahead now

Oh!

Just just go ahead now

Oh, your majesty!

Just go ahead now

Come on forget the King who... marry me!

Just go ahead now

Come on, come on, come on

Just go ahead now

Go ahead now

Just go ahead now, etc
