Father
Up in heaven
On pins and needles
We're waitin' on a
A second comin'
A second chance
A second longer
We don't have
Nothin' right
Nothin' left
But we should be home tonight
We'll hold each other tight
Oh, I will, with all my might
We should be home tonight
And we'll hold each other tight
Oh, I will, with all my might
Mama
Here on earth
Deep down
I will always love you
No matter where
No matter when
I'll always love you
I'll always love you
I'll always love you
I'll always love you
Whatever we don't say
We can't say it now
So we won't say
'Cause we can't say it now
So we won't say
Mama
Here on earth
You know deep down
I will always love you
No matter what
No matter how
I'll always love you
I'll always love you
I'll always love you
I'll always love you

We should be home tonight
We'll hold each other tight
I will, with all my might
We should be home tonight
And we'll hold each other tight
Oh, I will, with all my might
Oh, I will, I will
