Lookin' for somewhere safe
A kind of home base
Where our children can grow
And no one'll know
Let me show you
Let me show you
Let me show you where
We're people you can trust
There's no one else like us
No need for any concern
We want nothing in return
Let me show you
Let me show you
Let me show you how
Oh, sisters, go, sister
Up in the air, it's a cloud
Oh, sisters, go, sister
Pack up your love and get down
Underground, underground
This is your safety net
A place where you can let
Let the children grow
And no one'll know
Let me show you
Let me show you
Let me show you where
Let me show you where
Oh, sisters, go, sister
Up in the air, it's a cloud
Oh, sisters, go, sister
Pack up your cares and get down
Oh, sisters, go, sister
Up in the air, it's a cloud
Oh, sisters, go, sister
Pack up your loads and get down
Underground, underground
Underground, underground
Let me show you
Let me show you where
Let me show you
Let me show you where

Let me show you
Let me show you where
