We want your information  
We will do what we must  
But not here or in front of people or  
on the phone

We're not all blood-sucking leeches  
For we all have families too  
But that don't mean that we really  
love them or that we don't  
'Cos I can't love you  
And you can't love me  
But I can love you  
And you can lover me

Love me

It's not a confrontation  
(ALL ACROSS THE WORLD OPEN YOUR MOUTH)  
We are here because we are broke  
(GIVE US WHAT WE WANT, WE'VE HAD ENOUGH)  
But we don't expect a hand out of anything  
(SOUL! SOUL! SOUL! SOUL! SOUL!)  
'Cos I can't help you  
And you can't help me  
Oh I can help you  
And you can help me  
I can help you  
You can help me  
I can help you  
You can help me

Help me

Help you  
(It's not an impossible situation)  
Help me  
(It's not an impossible situation)  
Help you  
(It's not an impossible situation)  
Help me  
(It's not an impossible situation)

I know there is doubt we can do this  
but  
I can help you
