Bubblin' from the left
Yes, we're bubblin' from the right
Craig David and Robbie Craig, bubblin' all night
Bubblin' from the left (woman trouble)
Yes, we're bubblin' from the right
(woman trouble)
Craig David and Robbie Craig, bubblin' all night
(woman trouble)
This is how we do
(Woman trouble)
(Woman trouble)
(Woman trouble)
(Woman trouble)
(Woman trouble)
(Woman trouble)

I feel fantastic, bombastic, ecstatically astounded
How a girl can really lose her brain
I feel surrounded, confounded, emotionally
dumbfounded
To think you've nearly won your game, oh yeah

You said that I have been gone too long
Don't try to tell me that I was wrong (re-remix)
You're totally wrong for me
God, the hurt in my face
Now I know the only thing to do
Is to give myself some space
I bet she never told you everything that drifted through
her mind
All the secret thoughts
Well, I bet you never caught her sliding with another
man
Such as I did, no, no
I hate to see the way the finger points at me
I'm at fault, I don't think so
After all is said and done, girl
You know you had your fun

Why don't you leave it there

I feel fantastic, bombastic, ecstatically astounded
How a girl can really lose her brain
I feel surrounded, confounded, emotionally
dumbfounded
To think you've nearly won your game, oh yeah

You said you had a girl with problems, tell me
Did it lead to heartache and confusion (re-remix)
Did you wake up in tears not knowing where you are
Did you get it in the ear like I did, like I did

You said that I have been gone too long
Don't try to tell me that I was wrong (re-remix)
You're totally wrong for me
God, the hurt in my face
Now I know the only thing to do
Is to give myself some space
I bet she never told you everything that drifted through
her mind
All the secret thoughts
Well, I bet you never caught her sliding with another
man
Such as I did, no, no
