I've lived my life like a one way ticket
Not knowin' where I'm bound
About killed myself just to prove I was alive
Then all of a sudden with a whole lot of lovin'
You turned my world around
So don't worry if I'm ever gonna walk the line
Yeah I'll be true
But baby I can't lie

I've been known to get a little rowdy
And crazy when I can
I can get a little loud, I get a little lazy
And a little bit out of hand
I got a good side bad side
Sometimes just this side of sanity
But turnin' my back on you
Is a side of me you'll never see

I've been in the middle
I've been on the edge
Been a diamond in the rough
But baby I'll bet that you can smooth me out
No I'm not perfect but what it's worth
You can count on this boy's love
I can see where you might have your doubts
Oh but let me tell you what I'm all about

Well, I've been known to get a little rowdy
And crazy when I can
I can get a little loud, I get a little lazy
And a little bit out of hand
I got a good side bad side
Sometimes just this side of sanity
But turnin' my back on you
Is a side of me you'll never see

Well, I've been known to get a little rowdy
And crazy when I can
I can get a little loud I get a little lazy
And a little bit out of hand
I got a good side bad side
Sometimes just this side of sanity

But turnin' my back on you
Is a side of me you'll never see
No you'll never see
