You say you wanna let me go
Well there's one thing that you should know
I'll walk away willingly
And you'll never even hear me leave
I'll go quietly, I'll go silently

But I'll go crazy without you
Insane with a heart so blue
They'll have to lock me away
And I won't last one day
Without you baby I'll go crazy

I never thought I'd see the day
When I'd have to walk away
But I still think there's a ray of hope
But you're the one who's letting go
I'll go easily, I'll go where you please

But I'll go crazy without you
Insane with a heart so blue
They'll have to lock me away
And I won't last one day
Without you baby I'll go crazy

I'll go and take the blame
I'll go down in flames

But I'll go crazy without you
Insane with a heart so blue
They'll have to lock me away
And I won't last one day
Without you baby, hey I'll go crazy
Hey I'll go crazy, well I'll go crazy
