I still see tail lights in the dark  
I smell your perfume in the air  
This is where a fool might fall apart  
But I ain't going there

I won't go down in a burst of flames  
I won't stay locked up in your chains  
Yeah, it hurts but it ain't strong enough to whip me  
I might stagger, I might fall, but I wont beg and I wont  
crawl  
A tear or two might fall into my shot of whiskey  
But I wont cry, no Mississippi

There's no where to hide in this small town  
I know our paths are bound to cross  
And I might stand on shaky ground  
When I see all I have lost

I won't go down in a burst of flames  
I won't stay locked up in your chains  
Yeah, it hurts but it ain't strong enough to whip me  
I might stagger, I might fall, but I wont beg and I wont  
crawl  
A tear or two might fall into my shot of whiskey  
But I wont cry, no Mississippi

Well I hate to rain on your parade  
I hate to make your bubble bust  
It's going to take more tears  
Than you can make to my heart turn into rust

I won't go down in a burst of flames  
I won't stay locked up in your chains  
Yeah, it hurts but it ain't strong enough to whip me  
I might stagger, I might fall, but I wont beg and I wont  
crawl  
A tear or two might fall into my shot of whiskey  
But I wont cry, no Mississippi  
I wont cry, no Mississippi, no
