I got in my car and let it roll
Headed down a new patch of road
Didn't know how far I'd go
Just got in my car and let it roll, I just let it roll

Smokin' my last cigarette
But I ain't stoppin' yet
I'm gettin' as far as I can get
I just smoked my last cigarette

Tell me, why do I still see you?
Tell me, why do I still care?
Tell me, why do I still feel you?
Like you're here whisperin' in my ear
Tell me, why, why do I still want you?

I ain't lookin' in the rear view mirror
Watchin' those miles disappear
Yeah, the future ain't much clearer
But I ain't lookin' in the rear view mirror

Tell me, why do I still see you?
Tell me, why do I still care?
Tell me, why do I still feel you?
Like you're here whisperin' in my ear
Tell me, why, why do I still want you?
Yeah, why do I still want you?

I got my eye on that horizon
The moon is down and the sun is risin'
Hey, am I livin' or am I dyin'?
I've got my eye on that horizon

Tell me, why do I still see you?
Tell me, why do I still care?
Tell me, why do I still feel you?
Like you're here whisperin' in my ear
Tell me, why, why do I still want you?
Tell me, why do I still want you?

Yeah, I still want you
