I love everything about you
I love the way you comb your hair
And I love the way you sachet in the room
Your perfume lingers in the air
I love everything about you
Whoa, about you
Mmm-mmm

I love the way you lick your lips, dear
You got fireworks in your head
And I love the way you bring me water
When I'm thirsty in your bed
I love everything about you
Whoa, about you
Mmm-mmm
You were surely kissed by angels
Look at the freckles on your face
You got the devil in your eyes
You disappear without a trace

I love sneaking up behind you
When you're looking in the mirror
The way your eyes lock in to mine, dear
Without guilt and without fear
I love everything about you
Whoa, about you
Mmm-mmm
