You hold your head in your hands
And I don't have a way
To climb inside your body
And just hang out and stay
And everybody's asking
When your coming back
And I don't have an answer
So I fade out into black
Who knows how I feel today
I suppose I'll slowly fade away
Fade away
Hmm-mmm

In I walk so slowly
Through broken glass outside
I tread in oh so cautiously
I'm wondrin' where you hide
And I got notes tacked on my wall
And kisses oh so sweet
But all I do is wonder
When again the two shall meet
Who knows how I feel today
I suppose I'll slowly fade away
Fade away
Hmm-mmm

"do you hear me talking to you?
Oh, hello again how do you do?
Good morning I miss waking up"
I said, "oh, good morning I miss
Waking up with you"
Hmm-mmm

A hundred dollar phone bill
And it's multiplied by five
You look like a phone to me
Hey are you still alive?
Dirty plates and bottles
Well they decorate my floor
And I got lots a so-called friends
Just knockin' on my door
Who knows how I feel today

I suppose I'll slowly fade away
Fade away
Hmm-mmm

"do you hear me talking to you?
Oh, hello again how do you do?
Good morning I miss waking up"
I said, "oh, good morning I miss
Waking up with you"
Hmm-mmm
