Happy valentine's, shmalentine's, valentine's day,  
america.

Oooh, they get to go out to dinner with people that you  
don't really have much to say to and you struggle over  
words with a bunch of yuppies at the restaurant too and  
it's all crowded and everything 'cause I have to go out  
'cause I was told to. like pavlov's dogs we just march in,  
like, a little pilgrimage on our mecca to a stupid  
restaurant buying bad hallmark cards. oooh, and we'll  
get in trouble. I didn't do anything for valentine's day.  
what are you gonna do? oh, my god, I'm gonna be in  
trouble. well, I'm not participating in your little reindeer  
games, america. ho, ho, I'm not bitter. not at all. not  
me.
