What do you see in him?
Is it the same you saw in me?
Is your head alright?
Did you bump into a tree?
Well I can't profess
To see the way you see
Maybe I don't love you
I just love mystery

Have you lost your mind?
That's alright by me
Is it the barstool talking?
Did the whiskey set you free?
I send an s.o.s.
For the whole wide world to see
Maybe I don't love you
I just love mystery

Well, I've played darts
With tender hearts
I've had mine busted too
But your wrecked vision
Has got me wishin'
For glasses not so blue
Just stand inside my shoes
Darling you will see
Maybe I don't love you
I just love mystery

Well did you get my calls?
I left you two or three
Now are you going deaf,
Or just ignoring me?
I left my key at the desk
It's checkout time for me
Maybe I don't love you
I just love mystery

Well, I've played darts
With tender hearts
I've had mine busted too
But your wrecked vision

Has got me wishin'
For glasses not so blue
Just stand inside my shoes
Darling you will see
Maybe I don't love you
I just love mystery

Well, the time has come
To say our last goodbyes
Is that a storm a coming?
I was hoping for blue skies
Well, I must confess
You'll be in my memories
Maybe I don't love you
I just love mystery
Maybe I don't love you
I just love mystery
