I have a secret
Iâ€™ve been dying to tell
And I wouldâ€™ve told you sooner
But I think itâ€™s just as well
Now that weâ€™re all together
Itâ€™s time to celebrate
So take your friend by the hand
Call your mom and dad and tell them the partyâ€™s
never gonna stop
Iâ€™m ready to rock (Iâ€™m ready to rock)

ohhh 1,2,3,4 tell me what Iâ€™m waitinâ€™ for

And it feels so good tonight
Like I knew it would, alright
And I just love this hot spotlight
And itâ€™s been building up inside for a long, long time
Like a kernal thatâ€™s about to pop
Iâ€™m ready to rock

Iâ€™m just a guy
Do you like what you see?
Cause I love making you happy
And Iâ€™ll do it all for free
I think you have a hard time believing
But just look inside my heart
Cause at a drop of a hat

When a millisecond passed
I was asked â€œdo you feel the shock?â€
Iâ€™m ready to rock (Iâ€™m ready to rock)
Iâ€™m ready

1,2,3,4 tell me what Iâ€™m waitinâ€™ for
It feels so good tonight
Like I knew it would, alright
And I just love this hot spotlight
And itâ€™s been building up inside for a long, long time
Like a kernal thatâ€™s about to pop
Iâ€™m ready to rock

Well Iâ€™ve been marveled while you play

While I play you to the game
Everywhere Iâ€™m never gonna stop
Iâ€™m ready to rock
Iâ€™m ready to rock

come on
come on
come on

(are you ready?)
(are you ready?)
(are you ready to rock?)

Iâ€™m ready to rock

1, 2, 3, 4, 5, 6, 7 whooo

come on, whooo

Iâ€™m ready to rock
