Theres a hundred and four days of summer vacation,  
'Til school comes along just to end it,  
So the annual problem for our generation,  
Is finding a good way to spend it  
Like maybe

Building a rocket, or fighting a mummy,  
Or climbing up the Eiffel tower,  
Discovering something that doesnt exist,  
Or giving a monkey a shower  
Surfing tidal waves, creating nanobots,  
Or locating Frankensteins brain,  
Finding a Dodo bird, painting a continent,  
Or driving our sister insane!

This could possibly be the best day ever,  
(This could possibly be the best day ever)  
And the forecast says that tomorrow will likely be a  
million and six times better.  
So make every minute count, jump up, jump in, and  
seize the day,  
And lets make sure that in every single possible way,  
Today is gonna be a great day!

Crossing the tundra or building a roller coaster.  
Skiing down a mountain of beans,  
Devising a system for remembering everything,  
Or synchronizing submarines.  
Racing chariots, taming tiger sharks, constructing a  
portal to Mars,  
Building a time machine, stretching a rubber tree, or  
wailing away on guitars.  
(Oh, man.)

This could possibly be the best day ever,  
And the forecast says that tomorrow will likely be a  
million and six times better.  
So make every minute count, jump up, jump in and  
seize the day,  
And lets make sure that in every single possible way,  
Today is gonna be a great day!

Hey! Hey! Hey! Hey! Hey! Hey! Hey! Hey!

Lets put our heads together and design a master plan.  
We may miss dinner, but I know mom will understand  
We've got our mission and some pliers, yogurt,  
gumballs, and desire.  
And a pocket full of rubber bands, the manual on  
handstands,  
A unicycle, compass, and a camera that won't focus,  
And a canteen full of soda. Grab a beach towel, here  
we go!  
(This is Ferb-tastic)

This could possibly be the best day ever,  
(This could possibly be the best day ever)  
And the forecast says that tomorrow will likely be a  
million and six times better,  
So make every minute count, jump up, jump in and  
seize the day,  
And lets make sure that in every single possible way.  
(Seriously, this is gonna be great.)

This could possibly be the best day ever.  
(Today is gonna be a great day.)  
This could possibly be the best day ever.  
Today is gonna be a great day.
