Tell me, I've got a secret too.  
The secret is I'm in love with you  
Tell me baby that maybe, that you feel the same way  
too.

You've got laser beam ruby eyelashes  
Licking flashings the sea of car crashes.  
Under the golden highway, of chandeliers falling,  
I'm looking at you.

(Chorus)  
Meg, mad as can be.  
When she comes to me,  
She's like a neon cyclone.  
Meg, mad as can be.  
When she comes to me,  
She's like a neon cyclone  
Neon cyclone. Neon, neon, neon, neon, ne-on...

Tell me how you invent your style, baby.  
I want to touch your smile, baby.  
You hold a cherry, that's bigger than a bong in your  
butterfly hands.

Through your hair grow electric sea sparrows  
Revolving cupid's love arrows.  
Smile at me from your bed.  
When you're curled up in a ball.  
You're lips are leaves they are red in the fall  
in the fall(echo)

(Chorus)

(Instrumental Break)

(Half Chorus 7x, to fade)
