Another short story

When he be acting bad, don't he make you mad

Wanna kick his ass, when he already showed ya

He ain't no good and that's a fact

Another sad story

She constatly says she adores me

Girl I'm all dog in love don't leave here anymore

Another short story

Her love was beginning to bore me

It doens't take long for my love to fade

Another sad story

I only call when I'm horny

But she acts like we kick all day

It's a quarter pass midnight

don't he make you mad, you can't find his ass

Seven hours past, since he called you last

Only to you he can do no wrong

Funny how time flies

Especially when you live a whole life

Looking for love is already gone

Another short story

Already gave you a warning

A one night stand homie look what I done

Another sad story

This girl was so soft that's so lovely

I cannot stay cuz she's too strong

I keep my mind on my money

And everything else is just find someone else to play
her game

I like new skirts yeah like bees like honey (honey)

You can have some if you want, hey no kissing

Oooh no, another short story

Her love was beginning to bore me

It doesn't take long for my love to fade

Another sad story

I only call when I'm horny

But she acts like we kick all day

Another short story

Already gave you a warning

A one night stand homie look what I've done
