Nate Dogg (Nancy Fletcher)]

Now life for me (Life for me)

livin on the streets (On the streets)

used to be, hectic, scandalous (Scandalous)

The people I meet (people I meet)

when I'm on these streets (On these streets)

They can be, crazy, and dangerous (And dangerous)

When you're broke as you can be

And you're on them streets

You have to be, cunning, homey

Keep your hand (Keep your hand)

on the Hardest Man (Hardest man)

Or you may be, a dead man

[Chorus]

Crazy, dangerous [x4]

Craa-azy, dangerous [x4]
