At last, my love has come along  
My lonely days are over  
And life is like a song  
Mmmmmm, at last  
The skies above are blue  
My heart was wrapped up in clovers  
The night I looked at you  
I found a dream that I could speak to  
A dream that I can call my own  
I found a thrill to rest my cheek to  
A thrill that I have never known  
Oh, yeah, you smile (you smile)  
And then the spell was cast  
And here we are in heaven  
For you are mine  
At last  
I found a dream that I could speak to  
A dream that I can call my own  
I found a thrill to rest my cheek to  
A thrill that I have never known  
Oh, yeah (you smile)  
And then the spell was cast  
And here we are in heaven  
And you are mine  
At last
