The moment I wake up, before I put on my make up  
I say a little prayer for you  
While combing my hair now and wondering what dress  
to wear now  
I say a little prayer for you

Forever, forever you'll stay in my heart and I  
will love you  
Forever, forever we never will part, oh how I love you  
Together, together that's how it must be  
To live without you would only mean heartbreak for me

I run for the bus dear, while riding I think of us dear  
I say a little prayer for you  
At work I just take time and all through my coffee break  
time  
I say a little prayer for you

Forever, forever you'll stay in my hear and I will  
love you  
Forever, forever we never will part, oh how I love you  
Together, together that's how it must be  
To live without you would only mean heartbreak for me

My darling, believe me for me there is no one, no one  
but you baby  
Please love me too, c'mon and answer my prayer  
tonight  
Answer my prayer, answer my prayer  
Answer my prayer now baby

I say a little prayer for you  
I say a little prayer for you

Forever, forever you'll stay in my hear and I will  
love you  
Forever, forever we never will part, oh how I love you  
Together, together that's how it must be  
To live without you would only mean a heartbreak for  
me

Forever, forever you'll stay in my hear and I will

love you  
Forever, forever we never will part, oh how I love you  
Together, together that's how it must be  
To live without you would only mean heartbreak for me
