The moment I wake up, before I put on my make up
I say a little prayer for you
While combing my hair now and wondering what dress
to wear now
I say a little prayer for you

Forever, forever you'll stay in my heart and I will love
you
Forever, forever we never will part, oh how I love you
Together, together that's how it must be
To live without you would only mean heartbreak for me

I run for the bus dear, while riding I think of us dear
I say a little prayer for you
At work I just take time and all through my coffee
breakt time
I say a little prayer for you

Forever, forever you'll stay in my heart and I will love
you
Forever, forever we never will part, oh how I love you
Together, together that's how it must be
To live without you would only mean heartbreak for me

My darling, believe me for me there is no one but you
baby
Please love me too, c'mon and answer my prayer
tonight
Answer my prayer, answer my prayer
Answer my prayer now baby

I say a little prayer for you
I say a little prayer for you

Forever, forever you'll stay in my heart and I will love
you
Forever, forever we never will part, oh how I love you
Together, together that's how it must be
To live without you would only mean a heartbreak for
me

Forever, forever you'll stay in my heart and I will love
you
Forever, forever we never will part, oh how I love you
Together, together that's how it must be
To live without you would only mean a heartbreak for
me
