I'll take romance  
While my heart is young and eager to fly  
I'll give my heart a try  
I'll take romance  
I'll take romance  
While my arms are strong and eager for you  
I'll give my arms that cue  
I'll take romance  
So my lover when you want me, call me  
In the hush of the evening  
And when you call me in the hush of the evening  
We'll rush to our first real romance  
While our hearts are young, eager and gay  
I'll give my heart away  
And I'll take romance  
So my lover when you want me, call me  
In the hush of the evening  
When you call me in the hush of the evening  
We'll rush to our first real romance  
While our hearts are young and eager to fly  
I'll give my heart a try (all right)  
I'll take romance  
And I'll give my heart a chance  
And I'll take romance  
Mmmm hmmm  
I'll take romance  
I'll take a romance!  
Romance, romance, sweet romance
