When you go through a day  
And the things that people say  
They make you feel so small

They make you feel that  
Your heart will just never stop aching  
And when you just can't accept the abuse you  
are taking

Darling, reach out for me  
Don't you worry I'll see you through  
You just have to reach out for me  
I'll be there and I'll comfort you

When good friends prove untrue  
And the things they do to you  
They make you feel so bad

They make you feel that  
You haven't a reason for living  
So when you feel you could throw in the towel and just  
given in

My darling, reach out for me  
Don't you worry I'll see you through  
You just have to reach out for me  
I'll be there and I'll comfort you  
Oh yes, I will comfort you and love you  
How I'm gonna love you babe

And when you feel that feel that  
Your heart will just never stop aching  
And when you just can't accept the abuse  
you've been taking

My darling, reach out for me  
Don't you worry I'll see you through  
You just have to reach out for me  
I'll be there and I'll comfort you

Oh baby, reach out for me  
Don't you worry I'll see you through

You just have to reach out for me  
I'll be there, I'll comfort you, oh baby
