Talk to me, talk to me
Mmmm, I love the things you say
Talk to me, talk to me
In your own sweet, gentle way
Let me hear, tell me dear
Tell me ooooooh, you love me so
Talk to me, talk to me
Tell me what I want to know
The many ways you speak of love
I've heard before
But it sounds so good, ev'rytime
Please say the part I love, just once more
Darling, I'm so glad you're mine
Talk to me, talk to me
Hold me close, whisper low
Talk to me, baby can't you see?
Darling, I, I love you so
Oh, the many ways you speak of love
I've heard before
But it sounds so good, ev'rytime
Please say the part I love, just once more
Darling, I'm so glad you're mine!
Talk to me (ooh ooh), won't you talk to me
Hold me close, whisper low
Talk to me, baby, can't you see?
Darling, I, I love you so (I love you so)
Darling, I, I love you soooooo
