"The Look Of Love"

The look of love is in your eyes, a look your smile can't
disguise

The look of love it's saying so much more than just
words could every say

And what my heart has heard, well it takes my breath
away

You've got the look of love it's on your face, a look that
time can't erase

Be mine tonight let this be just the start of so many
nights like this

Let's take a lover's vow and then seal it with a kiss

I can hardly wait to hold you, feel my arms around you

How long I have waited, waited just to love you

Now that I have found you, don't ever go

Won't you be mine tonight?

Let this be just the start of so many nights like this

Let's take a lover's vow and then seal it with a kiss

I can hardly wait to hold you, feel my arms around you

How long I have waited, waited just to love you

Now that I have found you don't ever go, don't ever go

I see that look that's on your face

Don't ever go

Stay a while, stay a while, stay a while
