You didn't break it  
You didn't break it  
You didn't break my heart when you split  
You only cracked it just a bit

Somethin's changed  
Though I know my heart ain't plastic  
I guess through the years it's grown  
A little more elastic

'Cause this time cryin' time  
Didn't last as long  
And my heart just needed minor repairs  
And it feels pretty strong  
(Feels pretty strong)  
And it's movin' right along

You didn't break it  
You didn't break it  
You didn't break my heart when you split  
You only cracked it just a bit

You didn't break it  
You didn't break it  
You didn't break it  
You didn't break my heart

Losin' love, it used to crush me  
Now it doesn't  
I just figured it was meant to be  
Or it wasn't

So if you wanna know  
Now that you're gone, the shape I'm in  
You never clipped the wings of my heart  
It's gonna fly again.

You didn't break it  
You didn't break it  
You didn't break my heart when you split  
You only cracked it just a bit

You didn't break it  
You didn't break it  
You didn't break it  
You didn't break my heart

I got somethin' that keeps me goin'  
I got a habit of comin' around, honey  
You didn't run me off the highway  
You only slowed me down
