V1: I buried away, those feelings I gave
And left you alone when - you walked away
Don't lie to yourself, or ask for my help
You can't take back the hand that's dealt

PRE-CH: What are you looking for?
What keeps you coming back for more?

CH: Save your breath for me, cause you're the king of
distancing
Save your breath for me, cause everybody knows you
can't have me
Come on, fall all over me, cause you're choking at my
feet

V2: You had the last word, or so you heard
Cause maybe my last thoughts - you don't deserve
Put out all your fires, acknowledge you should
You just lost this one for good

PRE-CH : What are you looking for?
What keeps you coming back for more?

CH: Save your breath for me, cause you're the king of
distancing
Save your breath for me, cause everybody knows you
can't have me
Let it fall all over me, and everything you were is so
fleeting
Come on, fall all over me, cause you're choking at my
feet

C-SECTION: Now what did you expect?
Save some lines for the next
Tell me, what did you expect?

CH: Save your breath for me, cause you're the king of
distancing
Save your breath for me, cause everybody knows you
can't have me
Come on, cough up some honesty, cause you're

choking at my feet
