CH: I can't leave, these monsters. It's just they never
gave up on me

V1: They keep their dirty eyes and
They keep their dirty hands
All over my heart, all over my plans
I just can't break away when
I need to catch myself
I think I'm going under - tell me now can you help?

PRE-CH: You never told me, this time would hurt as
much as
It did, maybe, I'm falling
Deeper into this, and never coming home
Cause only my villains can save me

CH: I can't leave, these monsters. It's just they never
gave up on me

POST-CH: These villains, complete me

V2: Need this glass to be empty
To fill my heart with love
I'll show you everything that you never thought I would
They put their words in my mouth
When I go to speak
They got me saying things that I would never mean
Wish that I could tell them to leave, cause I want to, and
I need to
Can't even hear my thoughts when
They whisper in my ear
"We'll give you all the pleasures,
Give us the wheel to steer"

CH: I can't leave, these monsters. It's just they never
gave up on me

CH: I can't leave, these monsters. It's just they never
gave up on me
I can't leave, these monsters. It's just they never gave
up on me
