V1: Late last minute call, I'm outside
Windows down and we're flying, we're flying
Singing oh so loud, we're downtown
We've got this now, and tonight is our night

PRE-CH: Everyone knows we run this town
Everyone know we don't need a weekend for this

CH: We're all we've got (we're all we've got)
And we won't stop (we won't stop)
We're all we've got and we won't stop until the sun's up

V2: It's past 3 a.m., we're going
Strong and we know, this moment is perfect
Keep it to yourself, we own this
Life we're given - they're sleeping, we're living

PRE-CH: Everyone knows we run this town
Everyone knows we don't need a weekend for this
Everyone knows we run this town
Everyone knows, we'll never need a weekend for this

CH: We're all we've got (we're all we've got)
And we won't stop (we won't stop)
We're all we've got and we won't stop until the sun's up

BRIDGE: We're running on no sleep but we'll sleep when
we're dead
When we're dead, when we're dead, no regrets
We're following our hearts like we said
Like we said, like we said, no regrets
Hope this feeling doesn't go
Cause I'm feeling...

CH: We're all we've got (we're all we've got)
And we won't stop (we won't stop)
We're all we've got and we won't stop until the sun's up
