I've been really tryin baby
Tryin to hold back this feeling for so long
And if you feel
Like i feel baby
Come on oh come on

lets get it on (x4)

We're all sensitive people
With so much to give (understand it sugar)
Since we got to be
Lets live (i love ya)
Theres nothing wrong with me
Loving you baby (no no no)
Giving yourself to me could never be wrong
If the love is true (baby)
Dont you know
How sweet and wonderful life can be
Im askin you baby get it on with me
I aint gunna worry
I aint gunna push (i wont push ya baby)
So come on come on come on come on come on baby
Stop beating 'round the bush

Lets get it on
You dont have to worry that its wrong
Come on baby
If you believe in love
Let me groove you good

Let me do what i want to do
All i want to do is make love to you (x4)

You give me good feelings (x4)

Lets get it on
