Gavin DeGraw:

They all say it, all the ones who made it  
Want to find the money plainly  
But you're gonna have to fight

Colbie Caillat:

We don't think that the things that threw us off track  
A little like a heart attack cause we didn't see the light  
Uh-uh-uh I found

Chorus [Gavin DeGraw and Colbie Caillat]:

We both know our own limitations  
That's why we're strong  
Now when we spend some time apart  
Wheeling each-other out of the dark,  
Cause we both know

Gavin DeGraw:

In this nightmare, forgiving me was bitter (?)  
Say you're never giving up  
Say you'll always try to be my helping hand  
Try to be the one who understands  
Even if things don't go as planned  
We're still worth it all  
Uh-uh-uh I found

Chorus [Gavin DeGraw and Colbie Caillat]:

We both know our own limitations  
That's why we're strong  
Now when we spend some time apart  
Wheeling each-other out of the dark,  
Cause we both know  
What mistake is (?)  
Won't be scared now  
If I change the made-out yeah  
Change the made-out  
They could take us  
...  
Why can't you see it?

Chorus:

We both know our own limitations  
That's why we're strong  
Now when we spend some time apart  
Wheeling each-other out of the dark,  
Cause we both know

We both know our own limitations  
That's why we're strong  
Now when we spend some time apart  
Wheeling each-other out of the dark,  
Cause we both know, we both know
