Seweeee!!!

Why try to hide?  
Runnin' ain't about to gonna do anything for you my  
little one

Oh they try to get inside of me, why do they bother  
anyway?  
We mustn't worry, anything

Tell me what you see, pig, are they here?  
I'll rip and slaughter he who takes my pig from me

chorus:  
Here little piggy go, pig! live in muck, I love my pig!  
Those filthy little lovers, piggy pigs! liberate! see my  
big panic!  
Sicker than I've ever been, when I see myself inside of  
you  
But, I love you, my crude flesh, stain my tongue with  
your mess  
Suckle, suckle, oh, gross, it's the roast

(chorus)

(solo)

I'll save you!
