Baby, don't you leave me  
Baby, don't you leave me  
Don't you break my heart  
Why you wanna leave me?  
Why you wanna grieve me?  
Why do we have to part  
Couldn't give my love to nobody else  
You've got me feelin' sorry for myself  
Baby, don't you leave me  
Baby, I'm lonely  
Oh, so lonely  
When you left me before  
That's when you promised  
Oh yes, you promised  
Not to leave me no more  
You oughta hang your head in shame  
The way you keep my little heart in pain  
Baby, don't you leave me  
Said you'd never let nothin' come between you and me  
I'm yours and I guess I'll be yours till you set me free  
Don't leave me  
Please don't leave me  
Don't you make me cry  
Let's stay together  
Always together  
Till the day we die  
You know you're comin' out hard to wait  
You're gonna fool around and make it great?  
Baby, don't you leave me  
Don't leave me, baby  
Baby, don't you leave me  
Please don't go  
Baby, don't you leave me  
..and fade
