(Marvin Gaye)

I used to go out to parties
And stand around
'Cause I was too nervous
To really get down
And my body yearned to be free
So I got up on the floor and found
Someone to choose me
No more standin' along the side walls
Now I've got myself together, baby
And I'm havin' a ball
Long as you prove it
There's always a chance
Somebody watches
I'm gonna make romance
With your body, ooo baby, you dance all night
Get down and prove it, feel all right

(repeat and fade):

Keep on dancin'
Got to give it up
