(ware/ross)  
Madonna  
I want you, the right way  
I want you, but i want you to want me too  
Want you to want me baby  
Just like i want you  
I'll give you all the love  
I want in return  
But half the love is all i feel  
Sweet darling  
It's too bad it's too sad  
You don't want me no more  
But i'm gonna change your mind  
Someway, somehow  
I want you, the right way  
I want you, but i want you to want me too  
Want you to want me baby  
Just like i want you  
One way love is just a fantasy  
To share is precious  
??? right there  
Don't play with somethin  
You should cherish for life, oh baby  
Don't you wanna care  
Ain't it lonely out there  
I want you, the right way  
I want you, but i want you to want me too  
Want you to want me baby  
Just like i want you  
I want you, the right way  
I want you, but i want you to want me too  
Want you to want me baby  
Just like i want you  
I want you, the right way  
Want me, baby  
Don't play with something  
You should cherish for life
