Well, I'll be doggone if I wouldn't work all day  
And I'll be doggone if I wouldn't bring you my pay  
But if I ever caught you running around  
Blowing my money all over this town  
Then I wouldn't be doggone  
Hey, Hey! I'd be long gone  
Then I wouldn't be doggone  
I'd be long gone  
Now hey, hey, hey!  
I'll be doggone if you ain't a pretty thing  
And I'll be doggone if you ain't warm as a breath of  
spring  
And if we live to be a hundred years old  
If you ever let that spring turn cold  
Then I wouldn't be doggone  
Hey! I'd be long gone  
Oh I wouldn't be doggone  
I'd be long gone  
Now did you hear what I say ?  
Well now what I say  
Oh, believe me Well, every woman should try  
To be what ever has man wants her to be  
And I don't want much  
All I want from you is for you to be true to me  
Well, I'd be doggone if love ain't a man's best friend  
Oh, baby, And I'll be doggone if you ain't the loving end  
Though I know you make me feel like no baby could  
If I ever found out that you're no good  
Then I wouldn't be doggone  
Hey, hey, hey, I'd be long gone  
Well I wouldn't de doggone baby  
I'd be long gone
