I ain't got time  
To think about money  
Or what it can buy  
And I ain't got time  
To sit down and wonder  
What makes the birdies fly  
And I don't have the time  
To think about what makes the flowers grow  
And I never give it a second thought  
To where the rivers flow  
Too busy thinking about my baby  
And I ain't got time to nothing else  
Too busy thinking about my baby  
And I ain't got time to nothing else  
I ain't got time to discuss the weather  
Or how it's gonna last  
And I ain't got time to do no studying  
Once I get out of class  
And I'm just a fellow  
I got a one track mind  
And when it comes to  
Thinking about anything about my baby  
I just don't have the time  
Too busy thinking about my baby  
And I ain't got time to nothing else  
Too busy thinking about my baby  
And I ain't got time to nothing else  
All the diamonds and pearls in the world  
Could never match her worth  
She's some kind of wonderful  
People tell you  
I've got heaven right here on earth  
And I'm just a fellow  
With a one track mind  
And when it comes to thinking about  
Anything but my baby  
I just don't have the time  
Too busy thinking about my baby  
And I ain't got time to nothing else  
Too busy thinking about my baby  
And I ain't got time to nothing else
