Girl, I'm not a saint and I'm a long, long way from perfect

And I'm a hand full of trouble but I'd like to think I'm worth it

Yeah, I know I drive you crazy, I'm hyper and I'm lazy  
But admit it, girl, you love me like I am

I'm your man, I'm your boy, I'll give you grief, I'll bring you joy

I'll be right there when you want me, even sometimes when you don't

I'll be your hero with a halo, be your zero or your scapegoat

I got the goods, I got the stuff, I got the plan, I'm your man

When you tell me jump, I'll ask how high, baby

You say absolutely positively, I say maybe

When you cry, I'll just hold you

And I'll never say I told you

You know it's my pleasure, it's my job

I'm your man, I'm your boy, I'll give you grief, I'll bring you joy

I'll be right there when you want me, even sometimes when you don't

I'll be your hero with a halo, be your zero or your scapegoat

I got the goods, I got the stuff, I got the plan, I'm your man

I'll set you straight when you stumble

Sing your praises, keep you humble

And do the things that no one else can do

I'm your man, I'm your boy, I'll give you grief, I'll bring you joy

I'll be right there when you want me, even sometimes when you don't

I'll be your hero with a halo, be your zero or your scapegoat

I got the goods, I got the stuff, I got the plan, I'm your

man
