Well, you say you wanna
Know where I stand, before you fall
You say love's definition
Is not the same for us all

Well, I can understand why you're afraid
And just so we're both on the same page
Let me try and make this whole thing clear

I'm talkin' pure devotion
A won't be denied emotion
Deeper than the ocean
Well, that's love for you

It's unexplainable
Uncontainable, irreplaceable
Well, you know that it's true
That's love for you

You'll see my interpretation of love
Is right on the mark
If you'll give me half a chance
And follow your heart

Forever's what I've got in mind
So, let me say this one more time
And make it as simple as I can

I'm talkin' pure devotion
A won't be denied emotion
Deeper than the ocean
Well, that's love for you

It's unconditional
Irresistible, unpredictable
Well, you know that it's true
That's love for you

I'm talkin' pure devotion
A won't be denied emotion
Deeper than the ocean
Well, that's love for you

It's unbelievable
It's invincible, indivisible
Well, you know that it's true
Well, that's love for you
