Two teardrops were floatin' down the river
One teardrop said to the other
I'm from the soft blue eyes of a woman in love
I'm a tear of joy she couldn't carry
She was so happy she just got married
I was on her cheek when she wiped me away with her
glove
I could tell from the look on her face she didn't need
me
So I drifted on down and caught me a ride to the sea

The other tear said we've got a connection
I'm a tear of sorrow born of rejection
I'm from the sad brown eyes of her old flame
She told him they would be lifelong companions
Left him with questions and not any answers
I was on his cheek as he stood there calling her name
I could tell he had a lot of my friends for company
So I drifted on down and caught me a ride to the sea

Oh the ocean's a little bit bigger tonight
Two more teardrops somebody cried
One of them happy and one of them bluer than blue
The tide goes out and the tide comes in
And someday they'll be teardrops again
Released in a moment of pleasure or a moment of pain
Then they drift on down and ride to the sea again

Last night I sat in the waiting room
The nurse walked in and gave me the news
It's a baby girl and they're both fine
An old man sittin' not 10 feet away
Just lost his wife and he said to me
You've got a brand new angel and I've lost mine
I guess the good lord giveth and the good lord taketh
away
And we both wiped a teardrop from our face

Oh the ocean's a little bit bigger tonight
Two more teardrops somebody cried
One of them happy and one of them bluer than blue
The tide goes out and the tide comes in

A whole new circle of life begins
Where tears are a part of the pleasure and part of the
pain
Â'til they drift on down and ride to the sea again

Two teardrops floatin' down the river
Two teardrops floatin' down the river
