Never thought it would happen like this
You taken away my will to resist.
I shiver inside when you hold me tight
It Feels so good with you tonight.

Didn't believe I have had the chance
It seems you read in a cheap romance.
now we'll give them something new to write
it feel so good with you tonight.
Oh You Make It Feel it feel so right,
Oh you make it feel so right,
Oh you make it feel so right,
It feels so good with you tonight.

(Music Very Brief)

False hearts and empty vibes
is all I've ever known till now.
You taken the darkness and make it light
it feels so good with you tonight.

Oh You Make It Feel it feel so right,
Oh you make it feel so right,
O you make it feel so right
It feels so good with you tonight.

When I think of the days
Trying to get by a different way.
when I think of the nights
Never knew It could be so right(It's Over now).
Oh You Make It Feel it feel so right,
Oh you make it feel so right,
Oh you make it feel so right,
It feels so good with you tonight.

(music)

When I think of the days
Trying to get by a different way.
when I think of the nights
I Never knew It could be so right.

Oh You Make It Feel it feel so right,
Oh you make it feel so right,
O you make it feel so right,
It feels so good with you tonight.

Oh You Make It Feel it feel so right,
Oh you make it feel so right,
O you make it feel so right,
It feels so good with you tonight.

Oh You Make It Feel it feel so right
Oh you make it feel so right,
O you make it feel so right,
It feels so good with you tonight.
