Cruel - what a thing to do

I've been cruel to you such a long time

and how can I hide my shame

'Cause there I go again

At the wrong time

and I know that it was just the fear of flying

and I know it's hard to keep myself from crying

but when my tears are washed away

You'll still be blind

Skin-diving

for jewels

You were a shining pearl in a broken shell

Under moonlight

And I was cruel

And I know that it was just the fear of flying

And I know it's hard to keep myself from crying

But when my tears are washed away

You'll still be blind

Skin-diving

For jewels

Cruel - I've been such a fool

And I'll be missing you

Such a long time

I was cruel
