I scare myself just thinking about you  
I scare myself when I'm without you  
I scare myself the moment that you're going  
I scare myself when I let my thoughts run  
and when they're running  
I keep thinking of you  
and when they're running  
what can I do?  
I scare myself, and I don't mean lightly  
I scare myself, it can get frightening  
I scare myself, to think what I could do  
I scare myself -- it's some kind of voodoo...  
and with that voodoo  
I keep thinking of you  
and with that voodoo  
what can I do?  
but it's so so very different when we're together  
and I'm so so much calmer; I feel better  
'cause the stars already crossed our paths forever  
and the sooner that you realise it the better  
and then I'll be with you and I won't scare myself

and I'll know what to do and I won't scare myself

and my thoughts will run and I won't scare myself

and I'll think of you and I won't scare myself
