If I'm not sleeping
it's because I'm frightened
of what I might find
behind the curtain
there is a signal
there is a warning
I will not heed them
until I hear the morning dew
that trickles down my window
Mulu -- the people of the rain forest
believe in dreamtime
real time inverted
along a faultline
below the surface
there is a sequence
there is a reason
for all the nightmares
all this mayhem
Mulu -- the changes came before he knew --
the keeper of the rain forest...
Talk to me Mulu

Speak to me Mulu

Walk with me Mulu

Reach for me Mulu

Mulu -- the waters came before he know

the prisoner of the rain forest
