Everybody talking
talking pretty hard
everybody talking
'bout singing from the heart
if you want my opinion
it doesn't mean a thing
if you havn't got that
ability to swing
yeah, the ability to swing.
everybody thinking
thinking pretty hard
everybody thinking
'bout singin' from the heart
so listen up already
I'm sayin' it again
if you haven't got that
ability to swing
ah, the ability to swing.
dreams, take 'em away
go it alone, honey Rome wasn't built in a day
but now it's a ruin, the joke has worn thin

and it isn't cool to abuse the ability to swing.

everybody working

working pretty hard

everybody working

at singing from the heart

if you want my opinion

it isn't worth a bean

if you ain't in possession

of the ability to swing,

friends, send them away

go it alone, honey Rome wasn't built in a day

now it's a ruin, the joke has worn thin

and it isn't cool to abuse the ability to swing.

but each beat send me deeper under

each beat send me more to sleep

heart melts ice and heart spells danger

don't hold your breath boy

'cause it don't come cheap.

everybody looking

looking pretty hard

everybody searching

for a meaning in my art

I'll level with you bucko

it isn't worth a bean

if you ain't in possession

of the ability to swing

the ability to swing

mmm, the ability to swing
