Angel of mercy  
Angel of mercy

Every little thing that can go wrong  
Don't you know I realize  
All the trouble that goes on so long  
Restoration of it seems so wise

But when the love and the hope has gone  
You're the one the world is searchin' for  
Hold on for the way gets clear  
For your love, for our love

That's what I'm sayin'

Angel of mercy  
Won't you stay with me?  
Won't you stay with me?  
Angel of mercy  
Won't you stay with me?  
Won't you stay with me?

Take a little water to cool you down  
Reach out to your furthest dream  
If you find that you've been turned around  
Get back up and try again

Though your future's not plain  
Your efforts, not in vain  
For we are in need of  
Your sweet touch

Oh please be near us

Angel of mercy  
Won't you stay with me?  
Won't you stay with me?  
Angel of mercy  
Won't you stay with me?  
Won't you stay with me?

When the sun turns to rain

Then our loss can be gain  
If you could reach out  
Take my hand, yeah

Angel of mercy  
Won't you stay with me?  
Won't you stay with me?  
Angel of mercy  
Won't you stay with me?  
Won't you stay with me?

Angel of mercy  
Angel of mercy
