BACK IN THE HIGH LIFE AGAIN

Steve Winwood

(Jackie Edwards/James David Miller)

It used to seem to me that my life ran on too fast  
And I had to take it slowly just to make the good parts  
last  
But when you're born to run it's so hard to just slow  
down  
So don't be surprised to see me back in that bright part  
of town

I'll be back in the high life again  
All the doors I closed one time will open up again  
I'll be back in the high life again  
All the eyes that watched me once will smile and take  
me in

And I'll drink and dance with one hand free  
Let the world back into me and on I'll be a sight to see  
Back in the high life again

You used to be the best to make life be life to me  
And I hope that you're still out there and you're like you  
used to be  
We'll have ourselves a time  
And we'll dance till the morning sun  
And we'll let the good times come in  
And we won't stop till we're done

We'll be back in the high life again  
All the doors I closed one time will open up again  
We'll be back in the high life again  
All the eyes that watched us once will smile and take us  
in  
And we'll drink and dance with one hand free  
And have the world so easily and oh we'll be a sight to  
see  
Back in the high life again

We'll be back in the high life again  
All the doors I closed one time will open up again

We'll be back in the high life again  
All the eyes that watched us once will smile and take us  
in  
And we'll drink and dance with one hand free  
And have the world so easily and oh we'll be a sight to  
see  
Back in the high life again
