When you're caught, the other side  
Take a look and maybe start  
To take up your life again  
Crossing the line  
Through the gate, what words to say  
Demon takes your breath away  
Hear your heart, don't be afraid  
Passing through time  
Spinning around the axis of a dream  
Possibilities aren't always what they seem  
Reject them and all your choices will be free

Crossing the line  
Turn upon the winding stair  
Past the door that isn't there  
You have come you know not where  
Passing through time  
Walk along the narrow road  
Where the ghost gives up his mind  
You can catch the thread of time  
Crossing the line  
Spinning around the axis of a dream  
Possibilities aren't always what they seem  
Reject them and all your choices will be free  
Crossing the line
